If the deliberate header occurs within the goal area, the indirect free kick shall be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If in the opinion of the referee a player does not deliberately head the ball, then play should continue.
4. **5v5 Format Goal Scoring Rule:** A goal may not be scored directly from your own half of the field (except for own goals)

6. **Bracketing:** Whenever possible there will be more than one bracket of play for each age group and gender, and the placement of a team in a bracket will be based upon the team history and the bracket requested by the official club representative. Where necessary, the league organizers may place a team in a different bracket to the one requested (based on ranking and performance data, or if a bracket is full). If there are insufficient teams the league organizers may place all teams of an age group and gender in a single bracket or may combine age groups to form brackets.

7. **Schedule:** The league scheduler will try to minimize coaching conflicts but may not be able to avoid all conflicts (The name of the primary coach in GotSport must be IDENTICAL for all their teams, otherwise coaching conflicts will not be managed). Coaches assigned to three (3) or more teams should contact the league organizers to set priorities for their potential game conflicts.
8. **Scheduling Requests:** For all pre-season scheduling requests, coaches should contact the league organizers at least 3 weeks prior to the start of league play – these requests will be considered on a case-by-case basis.
