

## **Coach and Manager Adult Participation Pass (APP) Registration**

All Coaches and Managers who plan to be on the players' sideline are required to obtain a valid USSSA Adult Participation Pass (APP). This requirement must be completed prior to being added to a team roster.

To complete the APP requirements, you must log in to your GotSport account and complete the following steps:

- Upload a current photo to your GotSport profile
- Ensure your full legal name is used in your GotSport profile
  - Your name and email address must match exactly when completing SafeSport training
- Add your Date of Birth to your GotSport profile
- Complete the SafeSport Training Course
- Complete and pay for the Background Check
- Complete the Coach Requirement Form

**Important:** You cannot be added to a team roster until all APP requirements have been fully completed and approved.

Please complete these requirements as soon as possible. Background checks may take several weeks to process. Waiting until the last minute may result in delayed roster approval or loss of sideline access.
